

CHEVAL HYDE PARK GATE

A Palatial Masterpiece

Stay in regal style at Cheval Hyde Park Gate. Built in 1864 and overlooking the vast green expanse of Kensington Palace Gardens, these majestic Victorian residences are a true living landmark.

As befits a home of this stature, each apartment is a work of art - elegantly decorated and exquisitely furnished. Combining the prestige of a grand 19th Century townhouse with today's modern comforts, Cheval Hyde Park Gate gives you the very best of both worlds.
